## Individuality and Suitability Both Essential

In the perfectly appointed home the decorations should be chosen with a view to not only expressing the individuality of the occupant, but in keeping with the purpose for which the different rooms are intended.

Elaborate elegance may be justified in one instance and simplicity required in another.

It is the recognition of this fact that distinguishes appropriate decoration from a mere ostentatious display.

Let us help you to solve your decorative problems and you will be better pleased with the results.
